

**COURSE SYLLABUS**

**Course Code**                    **CONT01**  
**Course Title**                   **Updating Website Content using Macromedia Contribute**

Duration                        2 hours contact time  
    (One session is 2 hours)

Qualification                   media mount certificate of achievement

Training Level                Medium

Prerequisites                Previous experience of Microsoft Word and/or web design is preferable. Website or web space is required

Summary                        Macromedia Contribute is one of the easiest ways to update, create, and publish web content to any HTML website. Because it works like a word processor, it's simple for non-technical users to update text and images, insert links, create new pages, and do much more.

Price                                Price Category C  
    Our full price list is available on request
